Educational Consulting, LLC

Mary Cay Ricci is a parent, life-long educator and author of New York Times Best Selling Education book, **Mindsets in the Classroom**. She is also the author of **Mindsets for Parents: Strategies to Encourage Growth Mindsets in Kids** and **Nothing You Can't Do! The Secret Power of Growth Mindsets**.

In this interactive presentation Mary Cay will discuss the difference between fixed and growth mindsets. She will share ideas for building a growth mindset home environment as well as strategies for helping our kids embrace challenge and struggle. Ideas for building resiliency and perseverance and ways to help us all learn from mistakes will also be presented. Questions and discussion will be encouraged throughout the presentation!
