GENERAL INFORMATION

IMPORTANT NUMBERS & INFORMATION

Address: Nysmith School for the Gifted Inc.
13625 EDS Drive
Herndon, VA 20171-3413

Main Office Phone: (703) 713-3332; for daily status press 2
FAX: (703) 713-3336
Front Office Email FrontOffice@Nysmith.com

DIRECTIONS TO NYSMITH

From the Dulles Toll Road, take exit 9A (Route 28 South). Exit off of the second off-ramp which is McLearen Road. At the second street, turn right onto EDS Drive, (note that both the first and second streets are EDS Drive). Nysmith is the first building on the right; visitor parking is located in the first parking lot on the left.
INTRODUCTION

We believe that a world-class education is a joy-filled experience. Nysmith is committed to providing a happy, comfortable, relaxed, safe, and stimulating environment for children. Students are encouraged to think, reason, anticipate, question, and discover. We challenge students to be creative in their problem solving by providing a variety of hands-on experiences. Nysmith is concerned with developing well-balanced individuals and provides activities to enhance all developmental areas: social, emotional, physical, and intellectual. The curriculum is structured for fluent, original thinkers who assume responsibility for their learning. All children have valuable contributions to make and Nysmith offers a safe physical and emotional environment for children to practice and hone skills relating to independence, self-assertion, critical thinking, and problem solving.

Each child is treated with respect and dignity. The student population represents a diverse group of cultures, religions and nationalities.

GOALS

- Help children achieve their full potential
- Allow children to pace themselves according to their abilities
- Provide daily challenges for each child
- Provide the opportunity for gifted children to interact with their peers in a manner that best suits the unique social, emotional, and academic needs of each student
- Offer a rich, accelerated program of study
- Provide low student-to-teacher ratios
- Employ teachers with diverse experience and teaching styles
- Provide logical thinking exercises in the daily routine
- Give students the academic foundation necessary to continue their education beyond Nysmith

FACULTY

Nysmith teachers and staff members are dedicated, caring professionals who listen, encourage, praise, and instill enthusiasm for learning. Teachers must hold one or more degrees and have prior teaching experience. Our low teacher-to-student ratios ensure that all students receive affection and attention.

Teachers and staff participate in annual in-service training to learn new teaching techniques and gain valuable information to be used in the classroom. Teachers and staff also undergo criminal record background investigations, yearly TB testing, and mandatory OSHA training, all of which help to ensure a safe environment for the students and staff alike.
SCHOOL POLICIES

Please note that due to COVID-19, some of these policies have changed. Please refer to all communication regarding COVID-19 policies and procedures.

ADMISSIONS

All prospective students and their parent(s) will have a tour and discussion with a director. Candidates for school admission in Grades 1-8 have a school visit with his or her current grade for two consecutive days, while Kindergarten candidates visit a Pre-Kindergarten class for one day. Candidates for the Beginner or Pre-K classes are informally assessed during a one-hour class visit, with or without parents present. Children undergo IQ and achievement testing only in preparation for entrance into grades first and above. Parents of students currently enrolled in our Kindergarten program may choose to have an educational assessment administered at Nysmith by our staff in lieu of scheduling off-site IQ testing. Before a contract is accepted for grades first through eighth, IQ testing must show a classification of Superior-Very Superior and the child must demonstrate above level achievement for academics. Before a child may be formally enrolled and begin classes, the following must be on file in the office:

- Application form and fee
- Authorization for student record release to The Nysmith School
- IQ and achievement testing results (grades 1-8) Scores must be in the Gifted Range: Superior-Very Superior
- A copy of the current report card plus two previous years
- Emergency care form (includes statement requiring a parent signature agreeing to pick up child as soon as possible after notification of illness)
- Completion of the required student class visit
- Registration: Signed contract and deposit
- Record of current immunizations signed by a physician
- Physical examination form (due within 30 days of enrollment)
- Original copy of birth certificate or passport must be seen to verify date of birth

VISITORS AND CLASSROOM OBSERVATIONS

Please note that due to COVID-19, this policy has changed, please contact Admissions or your Director for more information. Nysmith welcomes pre-arranged
visitors at any time. All visitors are required to check in at the office before going into classrooms. Our security procedures require visitors in the building after 8:30 AM to wear a badge that is issued in the school office. This is to ensure the safety of the students and the staff, and to help staff members identify visitors as parents, guests, outside maintenance workers, etc. We ask parents to visit no more than two classrooms per day, since all-day visitations are disruptive to classes and children.

SAFE ENVIRONMENT

We begin early in a student’s academic career to promote peace and work towards the prevention of violence by teaching vital life skills, modeling appropriate behaviors and making sure that all students, faculty, and parents are aware of our “zero tolerance” policy for violent behavior and weapons at school. Preschoolers are taught that “hands are not for hurting” and to “use your words.” This approach is integrated into all subject matters and staff will use all “teachable moments” to remind students of the importance of social responsibility and respect. To enhance self-esteem and create both a climate and a community that helps students feel safe and secure is our highest priority.

Students are taught to solve problems, resolve conflicts, deal with peer pressure, manage anger, de-escalate situations, and appreciate cultural diversity and to use their influence in a positive manner. Additionally, we ensure that all students are able to ask questions and report any concerns either directly to staff or anonymously. Older students have discussions on sexual harassment, drug awareness, and personal safety issues.

All students from kindergarten through eighth grade attend character education classes with the school teachers and counselors on a weekly basis one semester each year. Character Education is taught under the direction of the Guidance Department and school directors. This positive group guidance program ensures that every student knows a school counselor and has one more adult to turn to for guidance and support. The safety of the children is paramount to all teachers and staff at the Nysmith School.

Please note that due to COVID-19, we are not permitting parents or visitors in the building. Please refer to COVID-19 communications regarding this change. All visitors are required to check in at the main office and pass through the Lobby Guard Kiosk and wear a visitor badge at all times within the building. Security personnel will enforce compliance. If a parent elects not to complete the screening process, they will not be allowed beyond the office.

CUSTODIAL RIGHTS

As required by the Code of Virginia (Section 63.2-1813), every student enrolled at Nysmith School is required to have information concerning authorized and unauthorized person(s) for pick-up on file in the school office.

Please provide this information on the “Authorized Pick-Up Release” section found on the Emergency Care Form.
INDIVIDUAL LEARNING ENVIRONMENT

Nysmith School offers a highly individualized learning environment. Our small teacher to student ratio allows teachers to differentiate their methods to reach individual students. Our program is designed to be experiential; repetition is greatly reduced. Teachers consciously use a variety of methods, including oral exams, small group work, peer editing, open book exams, and labs. Gifted students who have been diagnosed with a learning difference may still be successful in our challenging curriculum. Nysmith’s individuated instruction combined with our nurturing teachers provides an environment that some students with learning differences find helpful.

Students who require accommodations beyond our regular program and who wish to document that accommodations are in place must provide a written diagnosis and request for such accommodations from his or her parents. This documentation will remain in a student’s file and will result in our answering in the affirmative on questions concerning these accommodations on recommendation forms in the event that the student transfers or when the student graduates from Nysmith.

CALENDAR OF EVENTS

Each family receives an official copy of the school calendar prior to the start of the school year. Periodically, there will be changes made to the calendar and any updates will be sent home with your child in the Wednesday folders. You may also access the live calendar on the Nysmith community website.

Nysmith is closed on all federal government holidays. Please note that the extended care programs are also closed on federal holidays as well as on Christmas Eve and New Year’s Eve. The day before Thanksgiving, school will be closed (including extended care). Instructional and extended care will also be closed for a week for Spring Break. Work days, as deemed necessary, may be added.

Please note that while the school will attempt to notify all families of any changes in the calendar, Nysmith reserves the right to make changes.

ELECTRONIC COMMUNICATION

The new Parents Community Website is located at https://portal.nysmith.com or www.nysmith.com/community. This website is provided expressly for the convenience of the families of Nysmith School. You will be assigned an individual username and password for each of your children at Nysmith. This will give you access to up-dated school information such as calendars, newsletters, announcements, etc.

Please DO NOT SHARE the Username and Password Information with anyone and protect its confidentiality. If this information is compromised, please notify Nysmith School at once so that we can provide you with a new account log-on. Nysmith has an e-mail based communication system; please keep your email addresses up-dated.
**Electronic Equipment/Cell Phones**

Please note that due to COVID-19, this policy has changed. Please refer to all communication regarding COVID-19 policies and procedures.

All-electronic games/equipment and cell phones brought to school must be labeled with the student’s name. We recommend that electronic games/equipment be left at home as Nysmith School is not responsible for lost or stolen property.

Preschool through 3rd grade may not bring electronics to school. 4th-5th graders may bring electronics for use only in designated supervised areas on code red days and only during recess time. 6th-8th graders may use electronics in their free time if they are responsible and demonstrate good judgement. 7th-8th graders are provided Chromebooks for use in school, which they may check out and return daily.

**Transporting Nysmith Children**

It is against our school policy for teachers to provide transportation of students to and from school. This includes transportation provided during the normal school day, after school activities, tutoring, clubs, etc.

**Transportation**

Bus transportation is provided under contract to the school by Virginia Regional Transit. Service is available for morning pick-up and at the 3:00 PM dismissal time. For children under the age of four, a safety seat must be provided by the parents and remain on the bus.

**Note: BUS SERVICE IS NOT PROVIDED WHEN SCHOOL IS CLOSED OR WHEN THE DETERMINATION IS MADE BY THE SCHOOL THAT ROAD CONDITIONS ARE NOT SAFE.**

The bus service area includes service to areas in Vienna, Great Falls, McLean, Reston, Dulles Greenway, and Leesburg.

A parent or adult is required to be in attendance when a child is picked up; the adult must place the child in a secured seat on the bus. The bus driver may not leave his or her seat to buckle a child into a seat. When a child is transported to their stop, an adult must be present to remove the child from the bus if the child is unable to manage alone. In the event that an adult is not at the designated drop-off location, the child will be returned to the school, and a parent or guardian must pick up the child at school. An authorized pickup pass must be presented in order to pick up the child either from the bus or at the school.

The bus driver will verbally instruct and enforce all safety policies on the bus. Children must remain buckled and seated until the bus has come to a complete stop at their destination. Disruptive behaviors of any kind will not be tolerated. If a child disregards the safety rules, the parent(s) will be notified. If the disruptive behavior continues, the parent(s) will be required to find an alternate mode of transportation to school. Safety is of the utmost importance.
INCLEMENT WEATHER POLICY

In an effort to simplify the Bad Weather & Snow Policy, we usually follow the decision of Fairfax County for the Instructional Program, and the decision of the Federal Government for the Extended Care program. If however, the school determines that the criteria that Fairfax County has used for their determination does not apply to Nysmith, Nysmith will make an independent decision.

Announcements for delayed openings, early closings and cancellations are made on radio channel 630 AM, the local TV news stations 4, 5, 7 and 9. Announcements are also communicated via SMS text and email. Parents may also check the Nysmith School status line for the current status, 703-713-3332 ext. 2. School status may change as weather conditions change. Parents are encouraged to pick up their child(ren) early if they determine that the weather is severe and could create treacherous driving condition.

If the federal government closes early, all students must be picked up within two hours of the federal government’s closing. We encourage parents to have an alternate arrangement in place in the event that they will not be able to meet the deadline. Parents should notify the school immediately by fax (703-713-3336) or email (frontoffice@nysmith.com and abreeden@nysmith.com) with new arrangements for their child’s release. It is in everyone’s best interest to be transported home safely and as soon as possible (see the 2016-2017 BAD WEATHER & SNOW POLICY below)

BAD WEATHER & SNOW POLICY

<table>
<thead>
<tr>
<th>FAIRFAX COUNTY SCHOOLS</th>
<th>NYSMITH SCHOOL</th>
</tr>
</thead>
</table>
| If Fairfax County Schools are CLOSED, then: | Nysmith Instructional Program is **CLOSED**  
Extended Care is OPEN – 7:30 AM – 6:30 PM |
| If Fairfax County Schools are CLOSED due to extreme temperature: | Nysmith will determine closure on a case-by-case basis. |
| If Fairfax County Schools have a 2 hour DELAYED OPENING, then: | Nysmith has a 1 HOUR DELAYED OPENING (9am)  
Morning and afternoon bus service will be determined based on road conditions.  
Extended Care is OPEN:  
7:30 – 9:00 AM  
2:30 – 6:30 PM |
| If Fairfax County Schools have an EARLY CLOSING, then: | Nysmith Instructional Program follows the same closing guidelines as Fairfax County.  
Example: If Fairfax County closes two hours early, Nysmith closes two hours early (1pm)  
Extended Care will CLOSE at 5:00 PM  
*See Bus/Transportation Policy below |

<table>
<thead>
<tr>
<th>FEDERAL GOVERNMENT</th>
<th>NYSMITH SCHOOL</th>
</tr>
</thead>
</table>

Page 12 of 39
If the Federal Government is **CLOSED**, then: All Nysmith programs are **CLOSED**

If the Federal Government has an **EARLY CLOSING**, then: All Nysmith programs will **CLOSE 2 HOURS AFTER the Federal Government closes**

**Note:** *Bus/Transportation Policy - There will not be any bus service AM on days when there are delayed openings. Nysmith reserves the right to cancel bus service and/or transport children to designated drop off locations any time the driving conditions are questionable.*

**Note:** Extended Care charges $1/minute after announced closings. Drop-ins for Extended Care charges are $25 per hour.

**Note:** Any time the weather and driving conditions deteriorate once school/extended care is already in session for the day, you do not have to wait for an announced closing to pick up your child. We want you to use your own judgment and transport your children home when you are comfortable with the road conditions. If there is an early closing, you must make arrangements to pick up your child.

**FIELD TRIPS**

Please note that due to COVID-19, this policy has changed. Please refer to COVID-19 communications. Forms granting permission for local field trips are signed at the time of enrollment. **Local field trips** include any trip within a 15 mile radius of the school. Additional permission slips will be sent home as field trips are scheduled. **WRITTEN PERMISSION MUST BE SUBMITTED BEFORE THE DEPARTURE TIME. NO ORAL PERMISSION WILL BE ACCEPTED FOR LONG-DISTANCE FIELD TRIPS.** If a fee is required for a field trip, we ask that the money be sent in with the permission slip in advance. Suggestions for field trips are always welcome.

**REPORT CARDS, CONFERENCES, COMMUNICATION**

Students are evaluated formally four times a year: a scheduled conference in early November and three written reports, one at the end of the second, third, and fourth quarters. Progress reports are sent out midway through the quarter for K-3rd graders. During the November conference, the emotional, social, and intellectual growth of your child will be discussed. Written report cards will include grades, a checklist of social skills, and a written evaluation of brief comments from each teacher.

Additional conferences are encouraged and may be requested by either the teacher or the parent(s). Should you wish to contact a teacher, please send a note or email to the teacher with a suggested time you would like to meet and a brief description of the issues you would like to address. Advance knowledge of the issues permits the teacher to gather any pertinent information or materials that may be useful in the conference.
All students will bring home a colored folder on the first and third Wednesdays of each month. The folder will contain homework, class work, important notices from the administration, PTO, etc. Teachers will also send home a monthly newsletter relating class information, projects, planned field trips, etc.

CONTACTING A TEACHER

Teachers are generally unavailable during school hours unless an appointment has been made. Please avoid dropping in on teachers during homeroom (8:00-8:30 AM), since that time is needed to get the children’s day off to a good start. Appointments can be arranged by contacting the teacher directly. All efforts will be made to accommodate a requested date and time. Messages for teachers can also be left through the voice mail system via phone number 703-713-3332 or the school’s email system. To send an email the protocol is first initial, last name i.e.: Knysmith@nysmith.com. Please leave your phone number and the hours you will be available at that number. Please note that not all teachers have access to email during the school day.

MEET THE TEACHERS OPEN HOUSE

Please note that due to COVID-19, this event may be changed. Please refer to future emails regarding this event. An Open House to meet the teachers is held the day before school begins each year. This is a good time to visit classrooms and meet teachers prior to the first day of school.

BACK TO SCHOOL NIGHT

Please note that due to COVID-19, this event may be changed. Please refer to future emails regarding this event. Back to School Nights are scheduled early in the school year. Each evening there is a brief presentation followed by visits to individual classrooms. There is no time for questions concerning individual students, but parents should be prepared to sign up for a 30-minute conference to be held in November during the teacher/parent conference days.

NOVEMBER CONFERENCE DAYS

Please note that due to COVID-19, this event may be changed. Please refer to future emails regarding this event. The instructional program is closed for two days when the prescheduled conferences are held. Parents of preschool students will conference with the lead teacher; parents of K-8 students will conference with a core-subject teacher. (Extended care is open for currently enrolled students in the aftercare program.)

ATTENDANCE

Children may be dropped off in the morning between 8:00 - 8:30 AM. Classes begin promptly at 8:30 AM. Please be sure that you drop off your child so that he or she has ample time to go to his or her locker, greet friends, and get ready to start the day. Students arriving late must be signed in by an adult at the main office. When a student is
habitually late to school, it disrupts the entire class and puts all of the students at a
disadvantage. Habitual tardiness is not condoned. Parents need to leave the building by
8:30 AM.

MAKE-UP ASSIGNMENTS

If your child is absent from school for several days, please contact your child’s director who
will coordinate collection of missed assignments in a file which will be available at the office
for pickup. We are unable to submit homework to the office for pickup on a daily basis

TRIP POLICY

While we understand that children are occasionally absent from the school for a variety of
reasons, we discourage planning trips during the school year. If you know that your child
will miss school for an extended period of time due to vacation, travel, etc., a Teacher
Notification Form for Excused Absence should be picked up from the main office. Your child
will take this form to each of their teachers to sign before their absence. It is the student’s
responsibility to submit all projects that are assigned prior to the absence which will become
due during the absence. Any work, including tests, that is missed while the student is away
may be made up upon his/her return to school. Because our curriculum is individualized,
under no circumstance will teachers send work with the student to be completed during
their trip. It is the student’s responsibility to pick up missed assignments upon return to
school.

HOMEWORK

Nysmith believes in minimal homework and minimal repetition. Students should expect no
more than ten minutes of homework per grade level. For example, third graders thirty
minutes per day, seventh graders seventy minutes per day, four to five times a week.
Students move at various paces through their work, so the time required will vary from
child to child. Please inform the teacher if assignments are taking longer than the teacher’s
stated expectations. Our goal is to work together to find the right balance between
meaningful homework and a happy childhood.

STANDARDIZED TESTING

Students in grades four and six take the Iowa Test of Basic Skills in the spring. This is a
standardized, nationally normed test which allows students to gain experience with this type
of test. For the past nine years, Nysmith students have scored in the top 1% of the
country.

CLUBS

Please note that due to COVID-19, clubs are now being held virtually each day from
4-5 pm. Students in grades kindergarten through eight are able to participate in a variety of
after school clubs that vary from year to year. These after school activities have included such
clubs as Math Olympiad, Drama Club, French Club, Geography Club, Bug Club, Math Counts,
Creative Writing Club, Chess Club, Debate Club, Sports Club, Yoga, Art Club, Service Club,
and Glee Club. Nysmith also offers leadership growth opportunities through its Student Council Association and National Junior Honor Society.

SCHOOL TRADITIONS

Halloween Party  Pre-School Gatherings
Winter Holiday Party  Movie Night
Valentine’s Day Party  SCA Dances (grades 6-8)
End of the Year Party  Book Fairs
Grandparent’s Day  Special Olympics Basketball Event
Concerts  Field Day
Eighth Grade Graduation Ceremony  Pajama Bingo
International Fair  Parent Education
Career Day  Student Productions
Renaissance Festival

LOST AND FOUND

Please label raincoats, jackets, boots, mittens, and lunch boxes with your child’s first and last name. **Unidentified articles are collected and stored in the Blue Pod. Please check the lost and found frequently, as unclaimed items are periodically collected and given to charitable organizations.** Eyeglasses, jewelry, electronics, and other valuables are not routinely placed with other articles; please ask for them in the main office.

HEALTH POLICIES

PHYSICALS & IMMUNIZATIONS

A completed and signed physical examination form must be on file in the office at all times. Newly enrolled students and all kindergartners must have a physical examination dated within twelve months prior to enrollment. Students who enroll midyear must submit a current physical examination within 30 days of enrollment and an immunization record before attending the first day of class.

Evidence of the following immunizations is required by Virginia State law: MMR (Measles, Mumps, & Rubella), DTP (Diphtheria, Tetanus, & Pertussis), Varicella (Chickenpox), Polio, PCV (Pneumococcal), Hib (Haemophilus Influenza Type B), and Hepatitis B. Booster doses of MMR and Varicella are required by law as a prerequisite for entry into kindergarten. All prospective sixth graders must provide verification of a Tdap booster. Please contact the office if your child has medical or religious exemptions precluding him or her from receiving immunizations.

COMMUNICABLE DISEASES

The Code of Virginia requires that certain communicable diseases be reported to the local health department. Please see the list below. Those listed in **UPPERCASE** must be reported within 24 hours of suspected or confirmed diagnosis by the most
rapid means available. All others are required to be reported within 72 hours of suspected or confirmed diagnosis.

- Acquired immunodeficiency syndrome (AIDS)
- Amebiasis
- ANTHRAX
- Arboviral infection (e.g., EEE, LAC, SLE, WNV)
- BOTULISM
- BRUCELLOSIS
- Campylobacteriosis
- Chancroid
- Chickenpox (Varicella)
- Chlamydia trachomatis infection
- CHOLERA
- Creutzfeldt-Jakob disease if <55 years of age
- Cryptosporidiosis
- Cyclosporiasis
- COVID-19
- DIPHTHERIA
- DISEASE CAUSED BY AN AGENT THAT MAY HAVE BEEN USED AS A WEAPON
- Ehrlichiosis
- Escherichia coli infection, Shiga toxin-producing
- Giardia
- Gonorrhea
- Granuloma inguinale
- HAEMOPHILUS INFLUENZAE INFECTION INVASIVE
- Hantavirus pulmonary syndrome
- Hemolytic uremic syndrome (HUS)
- HEPATITIS A
- Hepatitis B (acute and chronic)
- Hepatitis C (acute and chronic)
- Hepatitis, other acute viral
- Human immunodeficiency virus (HIV) infection
- Influenza
- INFLUENZA-ASSOCIATED DEATHS IN CHILDREN < 18 YEARS OF AGE
- Kawasaki syndrome
- Lead-elevated blood levels
- Legionellosis
- Leprosy (Hansen’s disease)
- Listeriosis
- Lyme disease
- Lymphogranuloma venereum
- Malaria
- MEASLES (Rubeola)
- MENINGOCOCCAL DISEASE
- MONKEYPOX
- Mumps
- Ophthalmia neonatorum
- OUTBREAKS, ALL (including but not limited to food borne, nosocomial, occupational, toxic substance-related, and waterborne)
- PERTUSSIS
- PLAGUE
- POLIOMYELITIS
- PSITTACOSIS
- Q FEVER
- RABIES, HUMAN AND ANIMAL
- Rabies treatment, post-exposure
- Rocky Mountain spotted fever
- RUBELLA, including congenital rubella syndrome
- Salmonellosis
- SEVERE ACUTE RESPIRATORY SYNDROME (SARS)
- Shigellosis
- SMALLPOX (Variola)
- Staphylococcus aureus, infection (invasive methicillin-resistant and any vancomycin-intermediate or vancomycin-resistant)
- Streptococcal disease, Group A, invasive
- Streptococcus pneumoniae infection, invasive, in children <5 years of age
- Syphilis (report PRIMARY and SECONDARY syphilis by rapid means)
- Tetanus
- Toxic shock syndrome
- Toxic substance-related illness
- Trichinosis (Trichinellosis)
- Tuberculosis infection in children < 4 years of age
- TUBERCULOSIS, ACTIVE DISEASE (MYCOBACTERIA)
- TULAREMIA
- TYPHOID FEVER
- UNUSUAL OCCURRENCE OF DISEASE OF PUBLIC HEALTH CONCERN
- VACCINIA, DISEASE OR ADVERSE EVENT
- VIBRIO INFECTION
- VIRAL HEMORRHAGIC FEVER
- YELLOW FEVER
- Yersiniosis
If deemed advisable by the Head of School, the appropriate letter will notify the parent community of the potential health risks.

**NOTE:** Parents are to inform the school within 24 hours of the next business day after their child, or any member of the immediate household, has developed any reportable communicable disease, as defined by the State Board of Health, except for life threatening diseases which must be reported to the school immediately. A ‘reportable disease chart’ can be found at [www.vdh.state.va.us](http://www.vdh.state.va.us).

**ILLNESS/MEDICATION POLICY**

Illness spreads rapidly in school environments. If children have an above normal temperature (100°F or above), a contagious disease, or any other condition that could be detrimental to the other children or adults, they may not come to school. Please do not bring your child to school with any of the aforementioned conditions. Likewise, if a student is absent due to a contagious illness, please do not bring them to school events that are held after hours. As disappointing as it might be for a student to miss Bingo Night or a social event, it is more important that others are not exposed to an illness. If your child becomes ill during the school day, you will be contacted immediately and expected to pick your child up immediately. Your child must remain fever free and symptom free for a full 24 hours before returning to school. For instance, if you are asked to pick up your child at 9:00 AM because he or she has a high temperature, etc., your child may not return to school the following day.

Lists of recommended exclusions from school for various illnesses are maintained in the school office. The preschool list is governed by the Virginia Department of Health and may differ from the elementary school list. **Students must be fever-free and free of fever-reducing medication for 24 hours prior to returning to school.** Medications that need to be administered at school are carefully regulated. Specific requirements necessary to dispense prescriptions and other medications vary, depending on the classification of medication. The office has complete information and the forms necessary for a parent’s and/or a doctor’s signature, as required by the Virginia Department of Social Services. In general, medication must be in the original container with the original directions clearly printed. Both long term prescription and long term over-the-counter medication may be administered with a physician’s signature. Prescription and over-the-counter medication may be administered for ten days or less when a parent completes the required form. We are not permitted to administer medication of any kind without a written statement of informed consent, signed by the student’s parent, guardian, or physician, absolving the school of any liability.

**SEASONAL ALLERGIES**

In order for your child to stay indoors during recess, please submit a physician’s note stating that the child is exempt from outside activity due to allergies. There will be a table in the cafeteria designated for indoor recess where children can do a quiet activity such as reading or drawing, etc. Electronic devices are permitted if the sound is disabled as long as it does not create a problem. If a student is disruptive, the child will either need to go
outside with the rest of the class or a parent will need to supervise the child. Each physician’s note will be effective for no longer than two weeks. A new form will need to be signed by the physician for each two-week period.

**FOOD ALLERGIES**

Several students in the school have potentially fatal peanut, dairy and/or wheat allergies. There is a No Nut Table in the lunchroom for students with allergy sensitivities. For snack time, please send in a No Nut Snack in a separate container to eat in the classroom labeled with the student’s name and class.

**HEAD LICE**

If we encounter cases of head lice, it is usually during the first semester of school before the students leave for winter break. If we do discover a case or cases of head lice, we will send a notice home immediately. If a case of lice can be caught early, the problem can be eradicated rather easily. Once a child’s head is fully infected, treatments become more involved and other family members and classmates run a greater risk of becoming infected. If you find that your child has nits (the unhatched lice eggs attached to the lower end of the hair shaft) or lice, you must treat every place and everything with which your child has come in contact…car seats, rugs, bedding, sofas, drapes, etc. All cloth items, including stuffed animals, should be sealed in plastic bags for at least two weeks, OR washed in hot water and dried in the dryer on HIGH for 20 minutes, OR dry-cleaned.

Recent information indicates that head lice are becoming immune to some of the standard treatments, and the nits have a four-day period during which they are immune to any treatment. Please talk to your doctor or pharmacist about all available options. Manual nit removal and environmental clean-up are just as essential as pharmaceutical treatments in eradicating head lice.

If lice or nits are found on a child a parent must pick up the child and treat him or her, and the child may not return until the next day. Our policy on treating head lice is as follows: Children must be NIT-FREE before they may go back in the classroom. Upon your child’s return to school after being treated for lice, you must accompany your child into the office and wait until a staff member checks your child’s scalp. If nits are found the child must go home again and may return to class the next day if no nits are found upon the second check by a staff member. If there is a second occurrence, you must accompany your child into the office every day for two weeks and wait until he or she is checked. You also must bring in the bottle from the treatment that you used. Should there be a third occurrence, your child must remain at home for three days for thorough treatment. After the third day, you must follow second occurrence. If it is discovered that your child does have lice, we will call you to pick up your child immediately.
EXCLUSION FROM ACTIVITIES

Written notification from a parent or guardian is necessary anytime a child is to be excused from regularly scheduled activities such as physical education, an academic class or outdoor activities due to illness.

ABSENCES AND LATE ARRIVALS DUE TO ILLNESS

If your child will be absent or late due to illness, please advise the school by phone 703-652-0032 or email Frontoffice@nysmith.com. Please let us know if your child has any highly contagious illness such as chicken pox, strep throat, head lice, etc. We always like to keep other parents informed of illnesses that are going around.

EMERGENCY CARE FORM

All new parents must complete an emergency care form in hard copy or online. All existing parents will receive a printout of the information on file for verification purposes. Information should be updated regularly; please let us know anytime a phone number, address, place of employment, e-mail address, etc. changes. The purpose of the form is to help us locate you in the event of an illness or emergency. For parents who travel, locally or interstate, please leave detailed information about where you may be contacted. Please be sure to provide a current e-mail address so that you can be updated regularly about school events and emergency information. A parent or pre-designated adult must be within telephone contact at all times. Please be certain to list on the form the names and telephone numbers of individuals authorized to pick up your child if you cannot be reached. No child will be released to persons not authorized to pick up. Please remember that a sick child may not remain in school until the end of the day, and he or she may not ride home on the bus.

In the appropriate section on the Emergency Care Form please list:

- All allergies, chronic illnesses, or special health needs your child may have. Parents must state a course of action for each of these concerns. This will help to ensure a healthy and pleasant learning environment for all.

- Any special concerns such as asthma, history of seizures, reactions to bee stings, hearing or sight impairments, etc. should also be noted on the emergency care form.

Any emotional concerns or changes in your child’s development should be mentioned to the director or the child’s teacher; this information will be held in the strictest confidence.

PLAYGROUND

The playground is supervised at all times while children are present during designated class times. The staff checks and reports any unsafe equipment. They are instructed to anticipate when situations between children are becoming volatile and redirect when possible. The Preschool playground has equally distributed, resilient surfacing to assist in preventing serious injury from falls. Only during indoor recess will electronic games and trading cards
be permitted. Violent electronic games are not permitted at any time. Cell phone use will not be permitted during recess at any time.

BACKPACKS

All backpacks must fit in the designated lockers.

ACCIDENT REPORTS

If there is a serious accident or injury, you will be notified immediately. If the injury is minor, first aid attention will be given, and the parents will be notified.

REQUIRED REPORTING

All Nysmith employees are required by Virginia Law to report suspected child abuse or neglect to Child Protective Services (CPS). Employees will also notify their respective Director.

MEALS

BREAKFAST

Any child in the morning extended care program may bring a simple breakfast from home to eat during extended care. We do not provide breakfast for the students.

LUNCHES & SNACKS

Please note that due to COVID-19, this policy is changed. Please refer to all COVID-19 communications. All students in preschool through eighth grade are responsible for bringing their own lunch (including drinks). As a reminder, social service regulations require that all preschool lunches must be dated and labeled with the student’s name. Hot lunches will be available to all students Monday-Friday but must be ordered and paid for in advance. Information on the hot lunch program will be sent out the first week of school. Snack time is scheduled for kindergarten through third grade, but snacks must be provided from home.

Snacks are provided for the preschool instructional program and elementary children in the afternoon extended care program. Children on special diets due to religious or medical reasons are permitted to bring their own snack from home.

BIRTHDAY PARTIES

Please note that due to COVID-19, this policy has changed. Please refer to all COVID-19 communications. Birthday celebrations are encouraged since they give children confidence and make the day special. Please give your child’s teacher advance notice if you would like to have a birthday party in class for your child. If more than one
party is scheduled for the same day, we would like to suggest parents combine efforts for a joint party. Please be sure to ask your child’s teacher if there are any allergies or dietary restrictions that would preclude any students from partaking of party food. Because of safety concerns, please do not include any candles in the celebration.

If you are planning a party outside of school, please do not hand out invitations unless all students are invited. No gifts or party favors should be brought to school. Please counsel your child not to discuss any such outside parties in front of uninvited children. We strongly recommend that you do not invite all but one or two children from your child’s class. This is very hurtful and may cause disharmony and future resentments among classmates.

**BEHAVIOR MANAGEMENT**

Since parents are the primary and principle influence on their children’s lives, it is essential that both parents and staff afford themselves every opportunity to establish a positive relationship in support of the students. Effective communication between the adults in a child’s life will allow for coordination between actions at home and at school to modify behavior and enhance individual progress.

At Nysmith, we believe that discipline means teaching and not *punishing*. We are devoted to nurturing children and helping them develop positive self-esteem, practice self-control, and achieve a sense of self-respect. Careful supervision by skilled teachers enables us to redirect negative behavior. When necessary, *time out* is an acceptable method of discipline. Our general rule for time out is one minute per each year of age. Discipline is fair and consistently applied.

**BEHAVIOR GUIDANCE**

Discipline shall be constructive in nature and includes techniques such as:
- Using limits that are fair, consistently applied, appropriate and understandable for the child’s level
- Providing children with reasons for limits
- Giving positively worded directions
- Modeling and redirecting children to acceptable behavior
- Helping children to constructively express their feelings and frustrations to resolve conflict
- Arranging equipment, materials, activities, and schedules in a way that promotes desirable behavior

**TERMINATION OF STUDENT’S ENROLLMENT**

Although Nysmith’s behavior management procedures are preferred as the method of controlling student behavior, the administration reserves the right to terminate a student’s enrollment on the basis of his or her behavior at any time during the behavior management process. Please see your tuition contract for the conditions of termination/withdrawal.
TUITION PAYMENTS & FEES

Tuition payments are due on the first day of each month, as your monthly statement will indicate. If a child is enrolled after the first day of the school year, a billing statement will be sent to the party responsible for payment within one week of the child’s first day of classes. The tuition schedule will be prorated to the date of the child’s first day of class. Payments for field trips are handled through classroom teachers. Fees for late student pick-ups are due on the day the charges are incurred. If you need a financial reimbursement receipt to submit to your place of employment, please notify the finance office in advance and a statement will be prepared. Please specify the information required by your employer.

CONTRACTS FOR ENROLLING NEXT YEAR

Contracts for returning students are sent in early January and should be returned promptly, but in any event by February 1st to ensure enrollment. Any required paperwork, such as test scores, should be included when returning the contract. Interested parents of students not currently enrolled will be offered contracts as space is available after February 1st.

LATE PICK UP CHARGES AND POLICIES

There is a late pick up charge for children in the instructional program who are not picked up within 15 minutes of dismissal time for preschool (2:45 PM) and 30 minutes for elementary students (3:30 PM). For any child in extended care who is picked up after closing time (6:30 PM) there will be a charge. These payments are due on the date the charges are incurred. If the child is not picked up and no one on our “authorized to pick up” list can be reached, our only option will be to call CPS (Child Protective Services).

ADDITIONAL FEES & MONEY

Any time you need to send money or checks to school with your child, please seal the check or cash in an envelope and clearly mark the envelope to be delivered to the appropriate teacher or administrator. There is a secured mailbox into the financial office where Nysmith tuition payments may be dropped. Please encourage your child to drop off any money or checks before classes begin. Children should also be discouraged from bringing extra money to school.

RETURNED CHECK FEE

There is a $25.00 charge for all returned checks.
TRANSCRIPT AND STUDENT RECOMMENDATION POLICY

STUDENTS CURRENTLY ENROLLED

Nysmith School makes every effort to help graduates gain admission to the high school of their choice. The high school application process is discussed at Back to School Nights with 7th and 8th grade parents and is repeated throughout the fall and early winter as students, parents, Nysmith teachers, and administrators work together to handle the paperwork that is required for this important process.

Nysmith staff also makes every effort to facilitate paperwork for younger students who find that they must leave our community. Forms requesting transcripts, teacher recommendations, and school records are available at the front desk and should be returned to the front desk when completed. We ask that you allow us two weeks to complete teacher recommendations; teachers plan their time very carefully and they need the full two weeks to manage their other responsibilities while writing thoughtful, helpful recommendations. In an emergency, we will try to meet a shorter time frame, but the resulting recommendations will not be as thorough and therefore, not as helpful to your child.

STUDENTS NO LONGER ENROLLED

A final transcript is sent to the next school for every student who leaves the Nysmith program. For families who request a transcript from Nysmith after the student has begun attendance at their new school, we will provide a copy of the grades portion of the report cards for each year the student attended Nysmith and a copy of their final transcript. We regret that we cannot write recommendations for students who no longer attend Nysmith School. Young people develop very quickly, and we cannot rely on the knowledge we had of a child when years or even months have passed. Schools need to have current information for their applicants, so you will need to ask for recommendations from the school your child currently attends.

ALL TRANSCRIPTS

As applicable, a copy of the Iowa Test results will be included in a student’s transcript. IQ Test Reports are kept confidential at all times. As such, the information is used for enrollment decisions only, never becomes part of a student’s permanent file, and is shredded following the admission decision. Parents should submit their transcript request forms with the address where the transcript is to be sent. Please sign permission for us to release information to the school. Nysmith will make up to three copies of a child’s transcripts free of charge. For each transcript after the third, there will be a fee. Please allow ten business days for your request to be fully processed.

GIFTED BEHAVIORS RATING SCALE

Informational forms for parents either for application to FCPS AAP program or recommendations for another school may be picked up at the front desk. Submit your written requests and forms to the main office and it will be given to the appropriate
Director. All teacher recommendations, references and AAP forms must be processed and sent out by the appropriate Director. Since Gifted Behaviors Rating must be current for a student, we regret we cannot write recommendations for students who no longer attend Nysmith School. Please allow ten business days for your request to be fully processed.

SPECIAL NOTES FOR BEGINNERS AND PRESCHOOL

CHANGE OF CLOTHES

Each preschool child should have a complete change of clothes at school at all times. These clothes should be in a plastic bag labeled with your child’s name and sent in on the first day of school. If your child needs to change clothes, the soiled clothes will be sent home in the plastic bag in your child’s backpack. Please send in a clean change of clothes as needed. Be sure that your child’s clothes are appropriate for the weather and that you update the change of clothes seasonally.

CLOTHING

Children should wear comfortable clothing. For their safety, we prefer rubber soled shoes; sandals and jellies are not recommended. We encourage children to be actively involved in hands-on projects that are occasionally messy. Comfortable clothing gives children the freedom to run, explore, and climb.

TOYS FROM HOME

Preschool children are discouraged from bringing toys from home. Teachers may specify certain days as show and share days, at which time items important to the child may be brought in and shared with classmates. Teachers will encourage items that relate to themes, colors, beginning sounds, etc. to enhance learning activities.

GATHERINGS

Several times a year, the preschool students assemble in the gym to share special activities and events relevant to their class, i.e. songs, finger plays, dramatic plays, dances, etc. Family and friends are invited and encouraged to attend the gatherings.

QUIET TIME

Children in the Preschool classes will have a rest time/quiet time. Sheets for the cots/rest mats will be provided by the school and must be laundered on a weekly basis. After 30 minutes of quiet time, non-sleeping students may engage in quiet activities. Those who fall asleep during the first 30 minutes will be allowed to nap until they wake up or until it is time for dismissal.
BEHAVIOR MANAGEMENT

When a child demonstrates a disciplinary problem, the following steps are followed to help ensure that the unacceptable behavior is corrected:

- Teachers talk with the beginner/pre-K child about more appropriate ways of handling the particular situation
- If unacceptable behavior continues, teachers contact parents directly
- After three phone calls have been made to parents regarding a student’s behavior, a conference will be requested so that teachers and parents can work together to develop a plan to modify the behavior
- Students may be put on a three-point-system that targets specific behaviors
- **Suspension:** When a child is *out of control*, we will ask that the parent remove the child from the school environment

The following infractions may be cause for suspension: hitting, biting, spitting and any other physical contact with another child or adult, as well as verbal threats of physical violence toward a student or adult

The decision to suspend and the duration of the suspension will be at the discretion of the school

We take each infraction very seriously, and we will deal with each individual incident in an appropriate manner

The goal of discipline is to help the child learn self-control and build good habits. Staff will help children learn self-control by treating them in ways that promote their self-esteem and self-image.

BEHAVIOR GUIDANCE

Discipline shall be constructive in nature and include techniques such as:

- Using limits that are fair, consistently applied, appropriate and understandable for the child’s level
- Providing children with reasons for limits
- Giving positively worded directions
- Modeling and redirecting children to acceptable behavior
- Helping children to constructively express their feelings and frustrations to resolve conflict
- Arranging equipment, materials, activities, and schedules in a way that promotes desirable behavior

TERMINATION OF STUDENT’S ENROLLMENT

Although Nysmith’s behavior management procedures are preferred as the method of controlling student behavior, the administration reserves the right to terminate a student’s enrollment on the basis of his or her behavior at any time during the behavior management process. Please see your tuition contract for the conditions of termination/withdrawal.
**TRANSITION CARE**

Supervised transition care is available (for a nominal charge) to preschoolers who have older siblings in the upper grades or who carpool with older students.

**EXTENDED CARE PROGRAM**

*Please note that due to COVID-19, the extended care program has been altered to not accept drop-ins. Please refer to all COVID-19 communications.* Nysmith provides extended care before and after the instructional program for children age three through grade eight. The morning extended care program opens at 7:00 AM and goes until 8:00 AM at which time students are dismissed to go to their first classroom of the day. Children may be dropped off anytime between 7:00 - 8:00 AM. The afternoon extended care program starts at 2:30 PM for preschool, 3:00 PM for elementary and closes at 6:30 PM. The preschool after school program provides a variety of enriching activities. Outside time is provided daily, weather permitting.

Nutritious snacks are provided daily for all students in the extended care program. For scheduled drop-in care, there is a per hour charge. Drop-in care may not be available on the day requested. We must receive written notice and payment 24 hours in advance for the child to attend extended care at the scheduled rate. You will be billed for any additional charges incurred should you be delayed longer than anticipated. In order to provide the staff the necessary means to meet social services regulations, we need this advance notice. If you schedule extended care and find that your plans change, we will not be able to refund your payment; at that time we would already have added staff. The rates for unscheduled drop-in care are higher than for scheduled drop-in care. Drop-in students are not part of the regular extended care program.

**PARENT GROUPS**

Our Parent-Teacher Organization (PTO) is very active at Nysmith School. The PTO exists as an unincorporated association of its members. This organization meets periodically throughout the school year and elects officers each spring. The PTO fosters a close relationship between parents and teachers, handles fund-raising activities, organizes parent education seminars, and orchestrates student-parent social activities.

Nysmith has a support group of parents working closely with the teachers and administration to provide parties and activities, etc. for the children. Examples of activities include coordination of the Book Fair and Field Day. All parents are welcome to attend PTO Executive Committee meetings as scheduled and join in the activities provided. Parents in this organization send a volunteer form to the parents each fall to give parents the opportunity to indicate an interest in the various social functions.

Please keep in mind that while Nysmith School is a very child friendly environment and siblings are eager to participate, the activity at hand or field trip is meant only for the children in the class. On most occasions, class parties, field trips, and other events at the
school are only for adults and the students; siblings may not be allowed. Occasionally there are activities in which siblings are welcome to participate. If you have any questions about whether a particular event is sibling friendly, the office staff will be happy to provide assistance.

BOOKS FOR PARENTS IN THE MEDIA CENTER

Nysmith has a collection of books for parents in the Media Center. Many of these books have been purchased using Book Fair funds. These books are in a separate shelf area, and are available for parents to check out whenever the Media Center is open. You can come in and browse the books, or you can use the Nysmith Library Search to locate a book.

You are also encouraged to donate books that you no longer need at home, and that you would like to share with other Nysmith parents. Just drop those books off, or send them in to the Media Center with your student. Once donated, they can’t be returned.

To help narrow your search to only the parent books, a reading list for parents has been created. The books in that list have also been tagged with "Parent Ed" as a keyword for the search.

The Nysmith Library Search (http://library.nysmith.com) allows you to search by Author, Title, Series Title, and Subject. The search results show you whether a book is Available, but you cannot use the system to reserve or checkout a book. Once you have located a book that you would like to check out, please feel free to stop by the library and check it out with Mrs. Peggy Ferrin (pferrin@nysmith.com).

To use the Library Search Engine to locate a book, follow these steps:

1. Use this link: Nysmith Library Search. You may need to login with your Nysmith credentials. If the link doesn’t work, then:
   b. Select the “Enter Nysmith Community” link under the “Quick Links” section.
   c. Logon to the Community Portal using the user id and password supplied to you by Nysmith.
   d. Scroll down to "Lists" on the left menu.
   e. Expand the “Reference Links” category.
   f. Select the “Nysmith Library Search” link.

2. Enter your search parameters, and execute the search.

Nysmith and the PTO hope that parents find this resource a valuable tool and encourage its use.
ACCEPTABLE USE POLICY

NETWORK

Nysmith School is pleased to offer student access to the Internet through the Nysmith computer network. This is an exciting opportunity that brings with it added responsibilities. Guidelines for appropriate network use are outlined below.

WHAT IS POSSIBLE

Access to the Internet will enable students to explore thousands of libraries, databases, museums, and other repositories of information. Families should be aware that some material accessible via the internet might contain items that are illegal, defamatory, inaccurate, or potentially offensive. While the school's goal is to use Internet resources for constructive educational pursuits, students may find ways to access other materials. Although no computer program is fail-proof, the internet content monitoring program, SmartFilter, has been installed as part of the Nysmith computer network. We believe that the benefits to students from access to the internet in the form of information resources and opportunities for collaboration exceed the disadvantages. Ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources.

WHAT IS EXPECTED

Students are responsible for appropriate behavior on the school's computer network just as they are in a classroom or on a school playground. Communications on the network are often public in nature. General school rules for behavior and communications apply. It is expected that users will comply with school standards and the specific rules set forth below. The use of the network is a privilege, not a right, and may be revoked if abused. The user is personally responsible for his/her actions in accessing and utilizing the school's computer resources. The students are advised never to access, keep, or send anything that they would not want their parents or teachers to see.

PRIVACY

Network storage areas may be treated like school lockers. Technology staff members may review student files to maintain system integrity and to ensure that students are using the system responsibly.

Storage capacity: users are expected to remain within allocated disk space and delete material that takes up excessive storage space.

Illegal copying: students should never download or install any commercial software, shareware, or freeware onto network drives or disks, unless they have written permission from the Technology Director. Nor should students copy other people's work or intrude into other people's files.
Inappropriate materials or language: profane, abusive or impolite language should not be used to communicate, nor should materials be accessed which are not in line with the rules of school behavior. A good rule to follow is never view, send, or access materials that you would not want your teachers and parents to see. Should students encounter such material by accident, they should report it to their teacher immediately.

SUCCINCT ADVICE

These are guidelines to follow to ensure a safe and productive learning environment for all students using computers at the Nysmith School.

- Do not use a computer to harm other people or their work
- Do not damage the computer or the network in any way
- Do not interfere with the operation of the network by installing illegal software, shareware, or freeware
- Do not violate copyright laws
- Do not view, send, or display offensive information, to include text or pictures
- Do not waste limited resources such as disk space or printing capacity
- Do not trespass in another’s folders, work, or files

CHROMEBOOKS

We are excited to offer our upper grade students with Chromebooks for daily in-school use. We hope that the use of the personal Chromebook will be an added positive educational experience for our students and teachers. The Chromebooks are the property of Nysmith which we are supplying for the benefit of our students during school hours. Each morning, students may check out their individual Chromebook, use it throughout the day and then check it back into its assigned dock before leaving school for the day. We expect students to be responsible and treat all the school’s Chromebooks with care by not leaving them in precarious situations where damage or loss could be caused to them. Safe practice would be to store them in a padded section of backpacks, in the student’s locker, or in the appropriate docking station when not being attended. Each student will be responsible for their assigned Chromebook. Abandoned Chromebooks in the hallways, classrooms, playgrounds etc., can lead to the loss of usage privileges. If the administration feels the need to restrict student(s) usage of the Chromebook they may do so they feel needed.

TOOLS

To enhance student skills and their learning experience, some classes will offer the students the usage of tools such as lab equipment, hammers, saws, drills, screwdrivers, scissors etc. Every reasonable effort will be used to teach safe practice procedures and proper usage of tools in school. To follow safe practices, students may only use these tools while being directly supervised by their classroom teacher. If a student continuously disregards safety procedures and uses the tools inappropriately, possibly endangering themselves or others, the teacher may limit further usage of the tools and/or other disciplinary action may be
taken. If the inappropriate use of tools by a student is in an elective, the student may be required to transfer into a different available elective.

**CARPOOL PICK-UP AND DROP-OFF**

*Please be patient and remember that your pick-up card with your child’s name on it will be needed every day. Remember that Nysmith Carpool line is a NO CELL PHONE ZONE.*

*Please note that due to COVID-19, carpool procedures have been changed. Please refer to COVID-19 communications.*

**MORNING ARRIVAL/ DROP OFF**

The Nysmith School encourages parents to drop off children in the dismissal drop off line between 8:00 AM and 8:15 AM. Children need to be in their classes at 8:30 AM sharp. Families with young children who wish to walk their children into the building should enter the Nysmith School property from the secondary entrance off of EDS Drive. After making the right turn onto Nysmith property, turn right into the ferry parking lot. Follow the signs to the transition parking lot. Parents and children will then enter the building through the elementary pod entrance (the Blue Pod). Please note that the doors at the end of the wing will alarm themselves at 8:30 AM. In addition, the gate to the transition lot will close automatically at 8:45 AM.

*Morning:* Families dropping their children off in the drop off lane should proceed past the transition lot entrance, past the Directors parking island to the front of the school. If your child is young or needs help getting out of the car, please roll down your passenger side window and a teacher will be happy to provide assistance. Parents should not in any circumstance open their door or get out. After dropping off your child, please exit via the secondary entrance.

**MAIN PARKING LOT**

If you will be remaining at the school later than 8:45 AM, you will need to park in the main parking lot after you have dropped off your child in the carpool drop off line. Please enter using the second entrance (farthest from McLearen Road). Parents may not walk their children from the main parking lot across the main drive into the building. There are too many cars moving too fast. Please do not endanger our children.

**AFTERNOON CARPOOL**

Your communication with your child prior to dropping them off in the morning is the key to having your child in the proper location to meet you in the afternoon.

If you choose, you may pick up your child in the Blue Pod walk-up by 3:15, where you must show your pick-up card to the teacher on duty. The teacher on duty will then release the
child to the cardholder. If a family does not present a pick-up card, the person picking up will need to come to the school’s main office and show identification.

NYSMITH SCHOOL DRESS CODE

**The dress code applies to students in kindergarten through eighth grade**

GENERAL STATEMENTS

- Clean, presentable, appropriately sized clothing is required.
- No torn clothing of any kind may be worn.
- Logos or writing of any kind must be no more than 1½” by 1½”.
- No jeans or denim are allowed.
- Hair color must be a natural hue.
- Ear piercing is the only body piercing that is permitted.

SHIRTS, BLOUSES, SWEATERS, SWEATSHIRTS, AND DRESSES

- Shirts, blouses, and dresses must have collars.
- Dresses must be solid colors; may have design of same color.
- Turtlenecks are allowed.
- No tank tops, spaghetti straps or bare midriffs are permitted.
- All tops must be solid colors without stripes, pictures, or other designs. Solid colored shirts with white collars are acceptable.
- All solid colors are acceptable. *No black tops with black bottoms*
- T-shirts are allowed under collared shirts.
- Appropriately fitted, solid-colored sweatshirts, including those with hoods, are permitted. They may not have logos larger than 1½” by 1½”.
- Plain sweaters, sweatshirts, and jackets may be worn inside the school. *Heavy coats may not be worn inside*
- Students should not wear shrugs or short-sleeve shirts over long-sleeved shirts.

PANTS, SKIRTS, CAPRIS, SHORTS, CULOTTES, SKORTS, AND JUMPERS

- Colors allowed: Any solid color.
- Jeans and sweatpants are not permitted.
- Shorts, skirts and skorts must be no higher than 6” above the knee in length.
- Tights are permitted under a dress or skirt and may be patterned.
- Baggy or multi-pocketed (cargo) pants or shorts are not permitted.
- Leggings are permitted but should be covered to mid-thigh by top or skirt.
- Overalls are not permitted.
- Shorts and capris may not be worn between October 1- April 1.

HATS/ HEADBANDS

- No hats of any kind may be worn in the building.
• No scarves may be worn on the head.
• Headbands may be no more than 2 inches wide.
• Head coverings worn for religious purposes are permitted.

SHOES

• Shoes must be in good condition.
• If laced shoes are worn, they must be laced and tied.
• Please do not wear black soles that leave marks on the floors.
• No mules, clogs, flip-flops, or other heel-less slip-ons are allowed.
• Socks are required with all shoes except sandals. Sandals are not recommended; students need to be able to move quickly and safely in an emergency.

JACKETS AND COATS

• Any coat design will be acceptable, but all coats must remain in the lockers except when going outside.
• Students may wear plain, one-colored sweaters/vests or solid blazers.

MIDDLE SCHOOL (6TH – 8TH) PE DRESS CODE

If changing for PE, the acceptable uniform will be plain solid shirts (with or without collars, all colors acceptable), and solid colored mid-thigh (no higher than 6” above the knee) shorts, or pants (black, beige or navy acceptable). Stripes and piping are allowed. Logos may be no larger than 1½” by 1½”. As is policy, bare midriffs, tank tops, and spaghetti straps are not allowed.

HOLIDAY ATTIRE

• Holiday attire will be allowed on the day of holiday parties.
• “Theme” days and dress down days will be held periodically.
NYSMITH SCHOOL FOR THE GIFTED
COVID-19 ADDENDUM: RETURN TO CAMPUS POLICY FOR
STUDENTS

Introduction and About this Policy

As you know, the COVID-19 was declared a worldwide pandemic by the World Health Organization in the spring of 2020, forcing the closure of Nysmith School for the Gifted’s ("Nysmith" or the "School") physical campuses. While the COVID-19 pandemic is continuing and COVID-19 is highly contagious, in the intervening months, we have learned more about the precautionary measures available to help reduce the community spread of COVID-19. In order to facilitate a return to campus and in-person learning for our students, Nysmith is implementing safety measures to reduce the spread of COVID-19.

The purpose of this Return to Campus Policy (the “Policy”) is to outline the safety measures Nysmith students and their families will be expected to adhere to as they return to campus. In addition to this Policy, Nysmith has also developed and implemented COVID-19 Safety Protocols and Procedures (the "Safety Protocols"), which can be accessed here[GJP1] . The Safety Protocols more fully detail the measures that Nysmith is putting in place to mitigate the risk of the spread of COVID-19 as Nysmith reopens its’ campus.

To prepare both this Policy and the Safety Protocols, Nysmith reviewed guidance issued by the following: Centers for Disease Control and Prevention (the "CDC"), Occupational Safety and Health Administration, the Virginia and Fairfax County Departments of Education, and the Virginia and Fairfax County Departments of Health. Both this Policy and the Safety Protocols may be revised or updated from time to time, as necessary or appropriate and as guidance issued by the above is revised or modified. This Policy and the Safety Protocols, as revised from time to time, will be in effect from August 10, 2020 until otherwise rescinded by Nysmith.

Parents (and students, when age appropriate) are expected to read, understand and adhere to this Policy and the Safety Protocols. Parents are responsible for ensuring that their child(ren) understand what is expected of them. The School reserves the right to take necessary action to ensure compliance with this Policy and the Safety Protocols. Failure to comply with this Policy or the Safety Protocols may result in a student’s exclusion from on campus learning, disciplinary action, expulsion of the student and/or any other such actions deemed necessary or appropriate, in the sole and exclusive discretion of the Head of School. Parents who have questions about this Policy or the Safety Protocols should contact the Head of School, Ken Nysmith.

Before Returning to Campus

Precautionary Quarantine. Families who have or will be travelling before the beginning of on campus classes must ensure that they return to their homes and complete a fourteen (14) day quarantine before their student attends classes on campus.
While on Campus

**Daily Screening.** The School is implementing daily screening measures, which involve both screening prior to arriving on campus and periodic wellness checks throughout the day.

- **Screening Before Coming to Campus (Performed by Parents):** Each day and prior to arriving on campus, parents are required to take the temperature of their child(ren) and answer questions about symptoms and exposure. Parents must submit temperature and screening information through the school’s health screening app and be approved for attendance. Students who do not pass the daily screening may not come to campus. If a student will not be coming to campus, please notify the school nurses.

- **Periodic Wellness Checks (Performed by Nysmith Employees):** The School may periodically check the temperature of students on campus and will otherwise visually observe students for symptoms of COVID-19. If a student presents with a temperature or other symptoms of COVID-19 while on campus, the student will be isolated and the parent or other emergency contact will be notified. A student must be picked up within one (1) hour of the parent/emergency contact being notified. If necessary, the School will call emergency medical personnel. Students must remain home, as further discussed in this Policy.

- **Face Masks.** Students must wear a face mask at all times while on campus. Students may only remove their masks when they are eating or when they are outside the school building and are at least six (6) feet apart from other people. Students are expected to know how to properly use and remove a face mask. Students must arrive at campus with their mask and may choose to use either cloth or surgical masks. Masks are worn to protect others, therefore masks with vents will not be permitted because they do not inhibit particulates from being exhaled. If students are using cloth masks, the mask must be cleaned regularly. Students needing a medical accommodation should contact the school nurses, Mollie Salette or Candace Kleindl at nurse@nysmith.com.

- **Proper Hygiene.** Students must wash hands frequently throughout the day, for at least twenty seconds, including before and after meals and after using the restroom. In addition, Nysmith will ensure that there is hand sanitizer, paper towels, tissues, and other supplies available throughout the buildings. Students are expected to cover their mouth and nose with a tissue when coughing or sneezing, or cough or sneeze into their elbow. Students are expected to avoid touching their eyes, nose or mouth.

- **Restroom Use:** Only one individual may use the restroom (including multi-stall restrooms) at a time. While Nysmith will be performing regular, frequent cleaning, restrooms will have sanitizing wipes or sanitizing spray which should be used on any surfaces the students touched before and after each use.

- **Flu Shots.** All students attending on-campus classes during the 2020-2021 school year are expected to receive a flu shot.

- **Vaccines.** All students must receive all vaccinations required under state law.

- **Students’ Personal Items.** Students are expected to limit the number of items brought onto campus each day and follow the policies around sharing of food, school supplies, toys and other items with fellow students.
• **Medical Forms; Emergency Contacts.** Parents must complete and submit all required student medical forms prior to the first day of school. Parents must provide at least 2 emergency contacts who are able to pick up their child(ren) from the School within one (1) hour of receiving a call from the school.

• **Comply With Posted Signage:** Students must adhere to all posted signage, including those directing social distancing, use of elevators and common spaces.

### When (and How Long) To Stay Home

Students who are symptomatic and/or have tested positive and/or have had close contact with someone who has COVID-19 must stay home as outlined below, or as otherwise directed by the local health department and/or their health care provider.

Students who are required to stay home under this policy must notify Nurse Mollie Salette or Nurse Candace Kleindl at nurse@nysmith.com and consult a healthcare provider. Distance-learning will continue to be provided to those students who are unable or prevented from coming to campus. Additionally, and prior to a student’s returning to campus, the School must receive a written statement from a physician indicating that the student is safe to return to School.

- **Symptomatic and/or Positive Test:** A student who shows symptoms of COVID-19 and/or tested positive for COVID-19 should consult a health care provider and may not return to campus until:
  - At least 3 days (72 hours) have passed since recovery (defined as resolution of fever without the use of fever-reducing medications and improvement in respiratory symptoms (e.g., cough, shortness of breath)); and at least 10 days have passed since symptoms first appeared; or
  - Resolution of fever without the use of fever-reducing medications; improvement in respiratory symptoms (e.g., cough, shortness of breath), and two negative results from COVID-19 tests collected more than 24 hours apart.

- **Asymptomatic and Positive Test:** Students who did not show symptoms of COVID-19 but did test positive for COVID-19 should consult a health care provider and must stay home until either:
  - At least 10 days have passed since the date of their first positive COVID-19 (and assuming they have not subsequently developed symptoms since their positive test); or
  - Two negative results from COVID-19 tests collected more than 24 hours apart.

- **Close Contact:** Students who have been in close contact with someone who has COVID-19 should consult a health care provider and must stay home for 14 days after exposure. “Close Contact” includes the following:
  - The student was within 6 feet of someone who has COVID-19 for at least 15 minutes.
  - The student provided care at home to someone who is sick with COVID-19.
  - The student had direct physical contact with someone who is sick with COVID-19 (touched, hugged, or kissed them).
  - The student shared eating or drinking utensils with someone who is sick with COVID-19.
o Someone who is sick with COVID-19 sneezed, coughed, or somehow got respiratory droplets on the student.

**Distance Learning When Students Must or Choose to Remain At Home**

Distance learning will continue to be offered to those students who are sick, quarantined, unable, or unwilling to attend classes in person. Nysmith’s Distance Learning Program allows students learning remotely to have live access to their classroom via secure video streaming technology. Students within the live classroom may appear on the video.

A student who is participating in distance learning, but who is sick and unable to attend their classes online, should report their absence to the main office and normal absence policies and notification procedures will apply.

**Right of the School to Require Additional Testing/Home Isolation**

If the School is concerned about the health of a student, including possible exposure to COVID-19 or if the School is concerned that other elements of this Policy or the Safety Protocol have not been followed, the School reserves the right to require the student to either (1) be tested for COVID-19 and provide proof of a negative test before returning to campus or (2) remain off campus for 14 days or until the symptoms dissipate, whichever is longer.

**Expectations For Families While Not On Campus**

- **Avoiding Unnecessary Travel:** Students are expected to avoid unnecessary travel. Students who travel to any destination for which a Travel Health Notice has been issued by the CDC, or for which a similar notice has been issued by state or local government authorities, must notify Nurse Mollie Salette or Nurse Candace Kleindl at nurse@nysmith.com. The student will be interviewed and may be required to self-quarantine for fourteen (14) days upon their return.

- **Adhere to Social Distancing Recommendations:** Students and families are expected to adhere to any and all social distancing guidelines while not on campus to minimize the risk of contracting COVID-19 and the risk of exposing employees and/or Nysmith’s students to COVID-19. To help reduce the risk of COVID-19 exposure at the School, the School asks all families to limit their attendance at gatherings, events, and other activities to those where social distancing can be maintained. Families and students should avoid hosting or attending large gatherings where proper social distancing measures are not feasible. Students and their families are further expected to adhere to any restrictions issued by their home state, as well as those issued by the Commonwealth of Virginia. [GJP5]

- **Practice Good Hygiene:** Families and students are expected to practice and reinforce good hygiene practices at home.

**Privacy**

The School respects the right to privacy of any student who has a communicable disease, including COVID-19. All student records or information regarding communicable diseases will be confidentially maintained by the School Nurses. The student’s medical condition will be disclosed only to the extent necessary to minimize the health risks to classmates, employees, and the greater School community.
Voluntary Participation

Parents understand that the Student’s return to campus is voluntary, and that the School has made available alternative distance-learning plans for those students who do not wish to return to campus due to the COVID-19 pandemic. Parents acknowledge that the Student is in good health and is able and willing to attend to campus at the School during the 2020-2021 school year.

Assumption of Risk

COVID-19 is extremely contagious and is believed to spread by person-to-person contact; and, as a result, federal and state health agencies recommend social distancing and various other measures to mitigate the risk of contracting the virus. Nysmith has implemented reasonable preventative protocols, policies and procedures designed to reduce the spread of COVID-19. Students and their families are expected to adhere to these protocols in order to reduce the risks of contracting or spreading the virus at Nysmith.

Despite the Safety Policies and other measures in place to mitigate the risk of transmission of COVID-19 on campus, there are inherent risks that students and/or their families may become infected with COVID-19 due to the student’s presence on campus at Nysmith. These risks include, but are not limited to, the following: exposure to COVID-19, becoming infected with COVID-19, or becoming a symptomatic or asymptomatic carrier of the virus. It is possible that a student is already an asymptomatic carrier of the virus before and that the student may infect other students, employees, or other individuals at Nysmith as a result of their attendance. Any person who receives a positive diagnosis of COVID-19, including a student or his family member, may encounter extended quarantine/self-isolation, additional tests, medical care, hospitalization, other potential complications, and the risk of death. By allowing their child to come to campus for any reason, parents understand, acknowledge and voluntarily assume these risks on behalf of themselves and their child(ren).
